14th November 2.

Dear Mr.Srinivasaiengar,

I enclose herein with the file a draft G.O. regarding the carrying out of the Muzrai works for favour of your approval or other remarks-

The draft has been drawn up in accordance with the discussion we had in Mysore and the understanding arrived at that time-

Mr.Rice was not able to be present at the meeting on that day. It is proposed that each Deputy Commissioner be given a subordinate for carrying out other works, such as, Dharmasalas, wells, &c., and this proposal is being seperately dealt with-

Now, the Chief Engineer, Roads and Buildings, Mr.Rice to whom I have un-officially forwarded the draft for his concurrence states that the addition of all Muzrai works will seriously hamper with the inspection duties of the Executive Engineer. I wonder whether you cannot agree with him to a certain extent and whether you will consider that a limit may be imposed on the class of Muzrai works to be executed by the Executive Engineers. For instance, all Muzrai works whose cost is or below Rs 100 may be executed by the Amildars only. Please see the Circular of 1871 page 173 of Muzrai Manual-

I request the favour of your remarks with the early return of file for taking further action in the matter.

Yours sincerely,

D.O. 319

Office of the Inland Communications (P.W.D.),
Dak, Bangalore, the 16th November 1938.

Dear Mr. Gadgil,

I herewith return with my marginal remarks the draft Government order sent by you with your D.O. dated the 12th instant regarding the execution of Jungai works by the Public Works Department.

With regard to the proposal that all works costing Rs.100/- may be carried out by the villagers themselves, I think it instead of making a hard and fast rule of this kind, it would be desirable to leave it to the Deputy Commissioners to decide in each case whether any work within his power of sanction should be carried out through the villagers or by the Public Works Department. If a technical subordinate is given to each of the Deputy Commissioners as is proposed to be done, I have no doubt that they will avail themselves of his help as far as possible in preparing estimates and carrying out petty works costing less than Rs.100/-, so that it is only in cases where the work cannot be altered by them for satisfactory reasons that it will be submitted to the Public Works Department. A direction to this effect may, if necessary, be inserted in the Government order sanctioning the appointment of a technical subordinate to each of the Deputy Commissioner, such direction being applicable not only to Jungai but also to works of other departments in respect of which the necessary funds are available with the Deputy Commissioners themselves.

Yours sincerely,

Ask Sec'y.
P. work it out finally now after talking with Secs from C.E. R&B.

Forwarded, with compliments, ~~to the Chief Engineer~~ ~~for Irrigation and~~ Chief Engineer Roads & Buildings for favour of perusal ~~in the first instance.~~ - of remarks

Returned with compliments.

Exec: Engineers are already greatly handicapped with extra work in connection with the Minor Tanks, which number 22000 in the State. If all Minor Municipal works are added the extra correspondence involved will seriously interfere with their inspections out of H.Q.

Would it not be better to give each D.C. an Overseer to deal with Minor Municipal works and all other minor works relating to Plantains, Excavation, 3rd cl T. & S. etc. A Subdivision will be better as A.O. already.

Subject:- Procedure to be adopted in regard to the execution of Muzrai works in the State.-

--- :oOo: ---

Submitted to the First Member of Council.-

2. Consequent on the passing of G.O. No. P.1699-1709 L.R. 15-22-1 dated 8th September 1939, for the transfer of the Inamdhmat establishment employed under the Deputy Commissioners of Districts to the P. W. Department, it has become necessary to decide the procedure to be adopted in future for the execution of all Muzrai works in the State.

3. Accordingly, a draft Government Order has been on the lines of the discussion, I had at my office with the Muzrai Commissioner some time back and prepared and forwarded to the Chief Engineer for Roads and Buildings for his remarks.

4. The Chief Engineer is of opinion that the Executive Engineers are already overburdened with extra work in connection with the repairs of which number 22,000 and if all minor works are added, the extra correspondence involved will seriously interfere with their proper duties at head-quarters. He therefore suggests that it would be better to give each Deputy Commissioner an Overseer to deal with minor repairs and all other minor works relating to Chattrams, Chavadies, etc.

NOTE—Contn. sheet.

L.S.66-58
2.12.38

The proposal seems to me suitable. I see that it is advisable to give the D.C. the technical help suggested by the M.C. I think it will smoothen matters if the concurrence of the M.C. is obtained to the proposed scheme.

Rul

5. The opinion of the Huzur Council was then invited in this office letter No. [illegible] 14th November 1922, who are of the opinion that it will not be desirable to make a hard and fast rule that works costing less than Rs. 100/- should be carried out by the Amildars themselves, and that it would facilitate matters if a technical subordinate is given to each of the Deputy Commissioners to utilise his services, as far as possible, in the preparation of estimates and the execution of works costing less than Rs. 250/-. The other modifications suggested by the Huzur Council have been embodied in the draft Government Order to which kind approval is solicited.

6 On receipt of approval, the draft Government Order will be forwarded to the Secretary to Government, Revenue Department, for further necessary action.

Office of the Muzrai Commissioner
in Mysore,
Dated, Camp Mysore, the 9th October 1922.

From

K.R. Srinivasiengar, Esq., B.A.,
Muzrai Commissioner in Mysore.

To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department.

Sir,

Referring to Government Order No.1360-78/Muz.552-21-3 dated the 25th instant, directing that all estimates for repairs and improvements to Muzrai Institutions should be submitted for sanction after previous consultation with the Dharmadarshis of the Institutions concerned and scrutiny by the several local officers, I have the honor to state that with the abolition of the Executive Establishment, the Revenue Officers have no agency for the preparation of estimates in the Muzrai Department and all estimates have therefore to be prepared and the works executed in the Public Works Department. I, therefore, request that the Government may be pleased to direct the Chief Engineer to direct all Public Works Department officers to promptly comply with requisitions from the Revenue officers for the preparation of estimates for Muzrai works and also to undertake to carry out the works on their being sanctioned by the Commissioner or Muzrai Commissioner, as the case may be.

In the case of works costing less than Rs.250/- within the powers of sanction of the Deputy Commissioners, the local Public Works Department Officers may be required to prepare the estimates on requisition of the Amildar or Sub Division Officer and submit them to the Amildar who will, after consulting the Dharmadarshis, submit the estimate with his countersignature, to the Deputy Commissioner through the Sub Division Officer for sanction.

Department. Now that the Muzrai Establishment has been absorbed in the Public Works Department, Government are pleased to lay down the following rules for the guidance of officers in regard to the execution of Muzrai works:-

(1) In the case of works costing ~~less~~ than Rs 250 or 600 ~~Rs 250~~ which are proposed to be carried out through the P.W.Department, the local Public Works Sub-Divisional officer will prepare and furnish estimates on the requisition of the Amildar or the Revenue Sub-Divisional officer. On receipt of the estimate, the Amildar or the Revenue Sub-Divisional officer will, after consulting the Dharmadarsis, submit such estimates for the sanction of the Deputy Commissioner with the counter-signature of the Amildar.

The Deputy Commissioner will, after sanction forward such of the estimates that are necessarily to be executed by the P.W.D. to the Executive Engineer for execution, placing, at the same time, the necessary funds at his disposal-

In the case of works costing more than Rs 250 ~~and within~~ but less than Rs 2,500, the Executive Engineer will prepare estimates on the requisition of the Deputy Commissioner, who will submit the same with his counter-signature for sanction to the Muzrai Commissioner after consulting the Dharmadarsis wherever possible.

On receipt of sanction, the Deputy Commissioner will forward the same to the Executive Engineer for execution with necessary funds.

(3) In the case of works costing ~~more than~~ Rs 2500 or more prepared ~~Rs 2,500~~, the estimates will be ~~prepared~~ forwarded by the Executive Engineer to the Deputy Commissioner who will after consulting the Dharmadersis wherever possible, forward them to the Mazra Commissioner with his countersignature. The Mazra Commissioner will submit such estimates to Government through the Chief Engineer, Roads and Buildings, who will pass them on ~~with~~ technical scrutiny. The works will on the sanction of the estimates by Government, be carried out by the Public Works Department.

3. ~~It should be clearly impressed upon the officers of the P.W.D., that~~ All requisitions for estimates should be promptly complied with by the ~~a~~ officers of the P.W.D and ~~the~~ sanctioned works should be carried ~~out~~ to completion speedily and without delay. All officers of both the Mazra and Revenue Departments should also note that all undue formalities that interfere with the smooth progress of works should be avoided and there should be full co-operation of all grades of officers of both Departments so as to achieve the best results.

4. With a view to ensure that there is no undue delay in the preparation of estimates as well as the execution of the sanctioned works by the P.W.D., the Executive Engineers will submit quarterly statements to the Chief Engineer in the accompanying form showing the progress made (1) in the preparation of estimates on the requisition of the Muzrai officers (2) the execution of the sanctioned estimates in respect of each of classes of works mentioned in paras 2 and supra, copies of the statements being sent at the same time to the Deputy Commissioner who will forward the same with his remarks, if any to the Muzrai Commissioner for his information

G O No 2170 80—Muz 552-21-4, dated 30th January 1923

READ—

Government Order No P. W. 373-426—L 1974 2027, dated 9th September 1922, on the re-organization of the Public Works Department

2. Government Order No R. 1299-1309—L R. 15-22 1, dated 8th September 1922, directing the transfer of the working of the Minor Tank Restoration Scheme to the Public Works Department.

ORDER No. 2170-80—MUZ. 552-21-4, DATED 30TH JANUARY 1923.

Under the orders of Government on the reorganization of the Public Works Department, the scheme of the Minor Tank Restoration through the agency of the Revenue Department was transferred to the control of the Public Works Department. It was accordingly directed that the entire allotment for Minor Tank Restoration work and the other civil works hitherto undertaken by the Revenue Department be placed at the disposal of the Executive Engineers of the respective Divisions and that the entire Maramat establishment be absorbed in the Public Works Department.

2. In regard to the Muzrai works, the rules in force till now for the preparation of estimates and execution of works regarding minor tanks were also applicable to repairs to Muzrai Institutions, etc, according to which only works costing more than Rs 2,500 were being executed by the Department. Now that the Maramat establishment has been absorbed in the Public Works Department, Government are pleased to lay down the following rules for the guidance of officers in regard to the execution of Muzrai works:—

1. In the case of works costing Rs 250 or less which are proposed to be carried out through the Public Works Department, the local Public Works Sub-Division Officer will prepare and furnish estimates on the requisition of the Amildar or the Revenue Sub-Divisional Officer On receipt of the estimate, the Amildar or the Revenue Sub-Divisional Officer will, after consulting the Dharmadarsis, submit such estimates for the sanction of the Deputy Commissioner with the counter-signature of the Amildar.

The Deputy Commissioner will, after sanction, forward such of the estimates that are necessarily to be executed by the Public Works Department to the Executive Engineer for execution, placing at the same time the necessary funds at his disposal

(2) In the case of works costing more than Rs 250, but less than Rs 2,500, the Executive Engineer will prepare estimates on the requisition of the Deputy Commissioner, who will submit the same with his counter-signature for sanction to the Muzrai Commissioner after consulting the Dharmadarsis wherever possible. On receipt of sanction, the Deputy Commissioner will forward the same to the Executive Engineer for execution with necessary funds

(3) In the case of works costing Rs 2,500 or more, the estimates will be prepared by the Executive Engineer and forwarded to the Deputy Commissioner who will, after consulting the Dharmadarsis wherever possible, forward them to the Muzrai Commissioner with his counter-signature. The Muzrai Commissioner will submit such estimates to Government through the Chief Engineer, Roads and Buildings, who will pass them on after technical scrutiny. The works will, on the sanction of the estimates by Government, be carried out by the Public Works Department

G. O. No. 2170-80—Muz. 552-21-4, dated 30th January 1923.

Preparation of estimates and execution of repairs to Muzrai Institutions.

Passes orders in the matter of the —— by the Public Works Department.

READ—

Government Order No. P. W. 373-426—E. 1974-2027, dated 9th September 1922, on the re-organization of the Public Works Department.

2. Government Order No. R. 1299-1309—L. R. 15-22-1, dated 8th September 1922, directing the transfer of the working of the Minor Tank Restoration Scheme to the Public Works Department.

ORDER NO. 2170-80—MUZ. 552-21-4, DATED 30TH JANUARY 1923.

Under the orders of Government on the reorganization of the Public Works Department, the scheme of the Minor Tank Restoration through the agency of the Revenue Department was transferred to the control of the Public Works Department. It was accordingly directed that the entire allotment for Minor Tank Restoration work and the other civil works hitherto undertaken by the Revenue Department be placed at the disposal of the Executive Engineers of the respective Divisions and that the entire Maramat establishment be absorbed in the Public Works Department.

2. In regard to the Muzrai works, the rules in force till now for the preparation of estimates and execution of works regarding minor tanks were also applicable to repairs to Muzrai Institutions, etc., according to which only works costing more than Rs. 2,500 were being executed by the Department. Now that the Maramat establishment has been absorbed in the Public Works Department, Government are pleased to lay down the following rules for the guidance of officers in regard to the execution of Muzrai works:—

1. In the case of works costing Rs. 250 or less which are proposed to be carried out through the Public Works Department, the local Public Works Sub-Division Officer will prepare and furnish estimates on the requisition of the Amildar or the Revenue Sub-Divisional Officer. On receipt of the estimate, the Amildar or the Revenue Sub-Divisional Officer will, after consulting the Dharmadarsis, submit such estimates for the sanction of the Deputy Commissioner with the counter-signature of the Amildar.

The Deputy Commissioner will, after sanction, forward such of the estimates that are necessarily to be executed by the Public Works Department to the Executive Engineer for execution, placing at the same time the necessary funds at his disposal.

(2) In the case of works costing more than Rs. 250, but less than Rs. 2,500, the Executive Engineer will prepare estimates on the requisition of the Deputy Commissioner, who will submit the same with his counter-signature for sanction to the Muzrai Commissioner after consulting the Dharmadarsis wherever possible. On receipt of sanction, the Deputy Commissioner will forward the same to the Executive Engineer for execution with necessary funds.

(3) In the case of works costing Rs. 2,500 or more, the estimates will be prepared by the Executive Engineer and forwarded to the Deputy Commissioner who will, after consulting the Dharmadarsis, wherever possible, forward them to the Muzrai Commissioner with his counter-signature. The Muzrai Commissioner will submit such estimates to Government through the Chief Engineer, Roads and Buildings who will pass them on after technical scrutiny. The works will, on the sanction of the estimates by Government, be carried out by the Public Works Department

No. 2170-80—Muz. 552-21-4, dated 30th January 1923.

4. All requisitions for estimates should be promptly complied with by the officers of the Public Works Department and the sanctioned works should be carried on to completion speedily and without delay. All officers of both the Muzrai and the Revenue Departments should also note that all undue formalities that interfere with the smooth progress of works should be avoided and there should be full co-operation of all grades of officers of both the Departments so as to achieve the best results.

5. With a view to ensure that there is no undue delay in the preparation of estimates as well as in the execution of the sanctioned works by the Public Works Department, Executive Engineers will submit to the Chief Engineer, Roads and Buildings, quarterly statements in the accompanying form showing the progress made (1) in the preparation of estimates on the requisition of the Muzrai officers, (2) the execution of the sanctioned estimates in respect of each of classes of works mentioned in paragrahps 2 and 3 *supra*, *copies* of the statements being sent at the same time to the Deputy Commissioner who will forward the same with his remarks if any, to the Muzrai Commissioner for his information.

T. E. JEYARAMA AIYAR,
Secy. to Govt., Rev. Dept.

To—The Muzrai Commissioner in Mysore.
The Comptroller to Government.
The Deputy Commissioners of Districts.
The Chief Engineer of Mysore, Roads and Buildings.
PRESS TABLE.

Exd—C. R.
